## Assessing Ecosystem Services From Bamboo Forests

Nguyen Khac Lam

Dr. Himlal Baral

Dr. Juan C. Camargo

**Language: English**    **Join via: [bamboecosystem](#)**

This session will introduce the framework for assessing ecosystem services from bamboo; share the result of some case studies; discuss the local and global importance of ecosystem services provided by bamboo forests and how to enhance these benefits for human well-being. This session will also cover the broader mechanism for integrating policy and ES market framework.
