INBAR WEBINARS

Bamboo for Poverty Reduction and Livelihood Development

Pro-poor livelihood development approaches using bamboo

Mr. Pablo Izquierdo
Technical Officer,
INBAR, Ecuador

Dr. Selim Reza
Program Manager,
INBAR, Ethiopia

Mr. Thai Ba Phuong
Deputy Director,
Duc Phong Co. Ltd,
Vietnam

Prof. Zhu Zhaohua
Former Deputy
Director General,
INBAR, China

This session will focus on different bamboo-based pro-poor livelihood development approaches and enterprise models validated by different countries and organisations aiming at poverty reduction and rural livelihood development. The session will showcase large scale industrial models, private sector led craft enterprise models, and a housing social enterprise model.
